| Wall clearance       | 160 mm                         |
| Wall plate           | 95 x 95 mm                     |
| Weight               | 0.65 kg                        |

The practical wall and ceiling mount for smaller loudspeakers has been upgraded. A new feature is a cable outlet, which now provides an internal cable guide for hidden installations. Thanks to two special threaded pins and the Allen wrench / hexagon key included in the delivery, the universal joint can be positioned and set exactly. As such the load-bearing capacity increases to 10 kg. The wall distance has been reduced to 160 mm.
